

Opflow - DevOP Meeting Minutes
Tuesday, March 23, 2021

Attendees: James Setliff
Courtney Hill
Christopher Lebovitz
Kacheef White
Charles Young

Items Discussed and Decisions Made:

- Weekly “Stand-up”
 - Chris: School crunch time, will figure out Routing to and from the task form
 - Courtney: Decided and started applying color scheme, and will continue to sort out styling
 - James: Reworked all React code to be functional components, created overarching settings page shared across entire code base, refactor socket connections to use settings; will identify and divide remaining work
 - Kacheef: Figured out foreign key assignment in database inserts, dropped column for task_number – redundant; will create tables for columns and position, another for taskboard
 - Charles: School crunch time, reworking settings saving

Action Items:

- 2 weeks to go. Major crunch time.
- Identify and divide remaining development tasks.
- Create and start test plan.
